

# Greg Munro [Frontend Developer]

Barcelona, Spain | +34 622 568 805 | [gregmunro90@gmail.com](mailto:gregmunro90@gmail.com) | [greg-munro.com](http://greg-munro.com)

## WORK EXPERIENCE

**Freelance** **Barcelona**  
Frontend Developer September 2021 – Present

- Created Sport Buddy, a full stack one page mobile application to locate sporting activities in Barcelona, using React, Tailwind, MongoDB, REST API and Node.js
- Developed Berghain Bootcamp, a browser-based quiz game designed for users to answer a number of questions in order to successfully enter the world-famous nightclub. Built using JavaScript, HTML, CSS and Jest.
- Talleres Barcelona, a frontend e-commerce store connecting to Commerce.js API that sells food workshops to attend in Barcelona. Created with React, JavaScript, Cypress testing and MaterialUI.

**Concord Music Publishing** **London**  
International Copyright Coordinator October 2020 – September 2021

- Administered data of 260,000 artistic works, bulk registered with royalty collection societies worldwide.
- Implemented copyright data across Pop, Jazz, Media and Sync departments
- Maintained royalty database and registration agreements with SQL and Citrix environments
- Collaborated with senior management on multiple functions including client success and finance. Increased revenue 10% in 1 month by identifying unnecessary procedures causing delays and excess fees.
- Liaised with domestic collection societies to maintain up to data and financial information
- Resolved copyright disputes and counterclaims for mechanical and performance rights
- Updated HTML & CSS codebase for internal royalty system & Vistex Music Maestro

**B4 Bookings** **Barcelona**  
Booking Agent & Logistics Manager November 2016 – March 2020

- Negotiated performance contracts with accumulated value of €200,000 in the first 6 months
- Managed touring schedule, booking flights, hotels and visas for over 45 high profile artists
- Identified lowest selling regions quarterly. Created PR campaigns which increased sales in LATAM & EMEA by 25% overall the following year.
- Maintained and uploaded data of contractual and accounting info into a bespoke system for our clients
- Arranged itineraries for world tours for over 300+ events a year
